5M EMERGENCY LED-strip, Green

Art nr: 155075 ENG

Product information

5M EMERGENCY LED-strip, Green

Powerful, green light for marking emergency exits.

The green LED-strip makes it easy to see where to go in an evacuation situation and to navigate out of buildings. Can be connected to both SafeLight and M-Flex.

The LED strip provides an even, distinct light over the entire length. Space-saving and flexible!

- Perfect for displaying emergency exits.
- Suitable for both indoor and outdoor use.

Promitto CONNECT

One Compatible System for LED Strips, Floodlights, and Emergency Lighting
