ENG

Product information

5M EMERGENCY LED-strip, Blue

Powerful, blue light for marking water installations.

Blue LED light alerts water installations.

Easily mounted on the wall, around installations, floor or ceiling. Can be connected to both SafeLight and M-Flex.

The LED strip provides an even, distinct light over the entire length. Space-saving and flexible!

- Perfect for giving attention to water installations.
- Suitable for both indoor and outdoor use.

Promitto CONNECT

One Compatible System for LED Strips, Floodlights, and Emergency Lighting
