

# SafeLight 1500lm 3000K

Part nr: 155130

ENG

EAN: 7090049800153

## Product information

SafeLight is simple! 25 meters of powerful LED strip that connects directly to 230V and could be interconnected for lengths up to 150 meters. Provides a smooth, powerful light and is well suited for both outdoor and indoor use. Space-saving and flexible. SafeLight also has an extra safety feature integrated in the encapsulation. The LED strip is self-illuminated and will guide the way out even if the power is cut.
