

25M Cable Reel 4 socket

H07RN-F 3G 2,5mm²

Part nr: 160002

ENG

Product information

25 meters Cable Reel with 4 sockets.

4 grounded sockets, handle, and overheating protection.

Drum made of impact-resistant plastic and sturdy frame of powder-coated steel.

Specifications

Type of cable	H07RN-F 3G2.5 450/750V	
Standard	EN50525	
IP rating	IP44	
Connection type	Schuko	
Reel	Impact resistant plastic with steel frame	
Sockets	4 grounded sockets	
Cable length	25 meters	
Conductor	Material	Copper
	Construction	49/0.238±0.005
	Conductor DC resistance	20°C≤7.98Ω/km
Core insulation	Material	EPDM
	Average thickness	0,9
	Min thickness	0,71
	Over diameter	3.85±0.10
	Surface	Smooth
	Colors	yellow/green/brown/blue
Jacket	Material	CPE
	Average thickness	1,8
	Min thickness	1,43
	Over diameter	12.1±0.40
	Surface	Smooth
	Colors	Black

Used electrical and electronic products, including all types of batteries, must be delivered for recycling at a separate collection point. (acc. to directive 2012/19/EU and 2006/66/EC).
