

Product information

Extension socket with 5 outlets.

Approved for outdoor use.

Self-closing covers for protection when not in use.

Power switch with illumination.

Specifications

Outlets	5	
Outlet type	Grounded outlets	
Power switch	Yes	
IP rating	IP44	
Cable length		
Cable type	Rubber. H07RN-F 3G 1,5mm ²	
Number of conductors	5	
Max load		
Standard	EN50525	
IP rating		
Connection type	Schuko	
Conductor	Material	Copper
	Construction	30/0.237±0.01
	Conductor DC resistance	20°C≤13.3Ω/km
Core insulation	Material	EPDM
	Average thickness	0,8
	Min thickness	0,62
	Over diameter	3.15±0.10
	Surface	Smooth
	Colors	yellow/green/brown/blue
Jacket	Material	CPE
	Average thickness	1,6
	Min thickness	1,26
	Over diameter	10.1±0.40
	Surface	Smooth
	Colors	Black

Used electrical and electronic products, including all types of batteries, must be delivered for recycling at a separate collection point. (acc. to directive 2012/19/EU and 2006/66/EC).
