

## Product information

The HighBay UFO lamp is called the "UFO" lamp because it resembles a UFO. It provides perfect lighting for factories, warehouses, exhibition halls, and more.

## Specifications

Optical data	
Wattage	150W
Wattage selectable	80W-120W-150W
LED type	Lumileds 2835
Lumen / Watt	160lm/W
Lumen	24000lm
CCT	3000K-6500K
Beam Angle	120°
Adjustable beam angle	60°, 90°, 120°
CRI	70/80
Electrical data	
Type LED driver	MOSO
Input Voltage	AC100-277V/AC120-347V/AC200-480V
Dimming	0-10V Dimming, PWM
Protection	Class I
Flicker	<5%
Other	
IP&IK	IP65&IK08
Expansion port	For attaching sensor (accessorie)
Lifetime (L70)	50.000 hours
Structure	Die-casting/ High Thermal Conductivity AL
Lens	Polycarbonate
Package Dimension	270 x 270 x 160mm
Net weight	1,6kg
Product dimension	260 x 260 x 118mm
