M-Flex ECO 2x25M LED strip

4000K 900lm/m, 144 LED/m, IP65

Part nr: 154150

EAN: 7090049800320

ENG

Product information

The 25-meter M-Flex ECO LED strip connects directly to 230V and can be connected in series up to 150 meters. It provides a consistent work light throughout its entire length and is well suited for both outdoor and indoor use.

M-Flex ECO comes on an eco-friendly cardboard reel, and comes in a box containing 2 LED strips of 25 meters each, helping you save storage space.

Promitto CONNECT — One Compatible System for LED Strips, Floodlights, and Emergency Lighting
